To Whom it May Concern:

This letter verifies that Reilly Lock Limited has provided our company, Pindoff Record Sales Limited (Music World) with 24 hour locksmith and physical security services on a national basis since 1992.

Reilly's designed, installed and maintains our Medeco high security key system for our Music World locations across Canada, as well as our Toronto head office.

Additionally, they have also supplied us with fire safes, fire extinguishers, exit alarms, and panic bars.

Locally, Reilly's has been our security supplier since 1986.

We are more than satisfied with their performance to date, and recommend them without reservation.

Yours truly,

Joel Patterson
Director of Leasing
