Re: Reference letter for Reilly's Security Services

To Whom It May Concern,

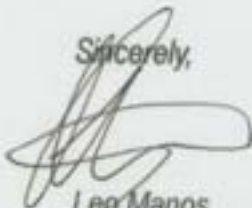

It gives me great pleasure to provide you with this letter of reference for Reilly's Security Services.

Reilly's Security Services is different from the rest because they foster a "culture" of accountability, a commitment for service excellence, and customer focused products/solutions for us.

We have entered into a relationship with Reilly's Security Services to provide operations & critical infrastructure support to our existing proprietary Security Service.

We are extremely satisfied with the service and have no hesitation in recommending them. If you have any questions, please contact me directly.

Sincerely,

Leo Manos
Director, Security Services
